

# Disabled Persons Railcards

Rail periods 8 to 10

13 October 2024 to 4 January 2025

10 April 2025

## Background:

This factsheet contains information on **Disabled Persons Railcards (DPRC)** in circulation and issued (by one and three years in length) in Great Britain.

DPRC enable disabled passengers to get a discount of a third off adult travel on the National Rail network in Great Britain.

We collect this data as part of our [Accessible Travel Policy \(ATP\)](#) compliance monitoring.

**Source:** Rail Delivery Group

**Latest periods:** Rail periods 8 to 10 (13 October 2024 to 4 January 2025)

**Responsible statistician:**  
L. Al-Ajeel

**Next publication:**  
3 July 2025

There were **333,221 Disabled Persons Railcards (DPRC)** in circulation at the end of rail period 10 of the latest financial year (4 January 2025). This is an increase of 18% compared with the end of the same rail period in the previous year. This is the highest number in circulation since start of series in April 2012 to March 2013.

**Figure 1.1 The number of DPRC in circulation has increased**  
DPRC in circulation at the end of rail period 10 since April 2012, Great Britain, (Table 4310)

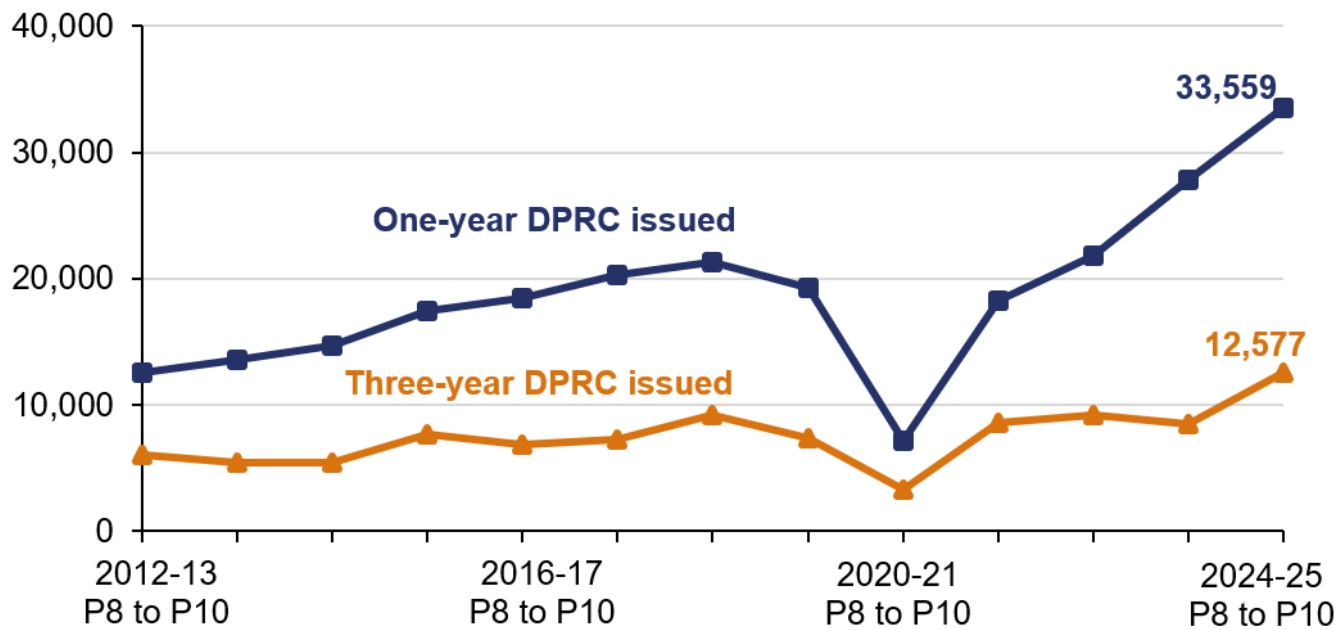

The data table, a quality and methodology report and interactive dashboard associated with this factsheet are published on the [Disabled Persons Railcards page](#) of the ORR data portal. Key definitions are at the end of this factsheet.

Overall, **33,559 one-year DPRC** were issued during rail periods 8 to 10 (13 October 2024 to 4 January 2025), an increase of 21% on the number issued in the same rail periods the previous year. This is the highest number in circulation since start of series in April 2012 to March 2013.

There were **12,577 three-year DPRC** issued during rail periods 8 to 10 (13 October 2024 to 4 January 2025), an increase of 48% on the number issued in the same rail periods the previous year. This is the highest number in circulation since start of series in April 2012 to March 2013.

DPRC issued, Great Britain, rail periods 8 to 10 since April 2012 (Table 4310)

## Definitions

- **DPRC** enable disabled passengers to get a discount of a third off adult rail fares for travel on the National Rail network in Great Britain.
- **DPRC in circulation:** The number of Disabled Persons Railcards in circulation which are valid to use for a discount on rail fares. This includes both one-year and three-year railcards.
- **DPRC issued:** The number of Disabled Persons Railcards that have been issued during the year. These can be either for one year or three years in length.

## Data tables

Table 4310 - *Disabled Persons Railcards (DPRC) in circulation and issued* can be accessed on the [Disabled Persons Railcards page](#) of the ORR data portal free of charge in OpenDocument Spreadsheet (.ods) format. The format of this table was changed in January 2022 to improve accessibility. We can also provide data in csv format on request.

## Revisions

There have been no revisions to previously published data.

For more information on revisions to our statistics, please see the [Revisions log](#).
